in your words...

Variety. Freedom.

La radio multiculturelle présentant des émissions de qualité.

If you're tired of the same \$@*% this station's for you.

It really grows on you.

It's not Sony or Conrad Black owned...need I say more?

Cool, weird, diverse and always entertaining.

Un stimulant: un essai d'un jour pour une pratique continue.

Everything/anything you want.

Non répétitive. Nous informe d'événements intéressants et inédits.

Une station qui ne craint pas de dire la vérité.

The antithesis of Top 40!

Radio expérimentale, mais pas cheap.

The voice of the community.

C'est une station différente, offrant un choix de musique très variée...et sans animateurs énervants.

People-Powered Radio / La Radio Communautaire

CKUT is a non-profit, campus-community radio station owned and operated by its members. We can be heard 24 hours/day, 365 days/year at 90.3FM, and at 91.7 on cable as well as on RealAudio at www.ckut.ca. CKUT began broadcasting on the FM dial on November 17, 1987. We have a signal of 5700 watts, which covers the greater Montreal area; to the south as far as northern Vermont and upper New York State, to the east as far as Magog, to the west as far as the Ontario border, and to the north as far as the Laurentian Mountains.

CKUT est une station de campus/communautaire autonome, sans but lucratif, dirigée par ses membres. On peut nous écouter sur les ondes 24 heures/jour, 365 jours/année, au 90.3MF, 91.7 sur le cable et en RealAudio sur www.ckut.ca. CKUT a commencé à diffuser sur les ondes MF le 17 novembre 1987. L'antenne émettrice de CKUT diffuse à une puissance de 5700 watts et couvre la grande région de Montréal, jusqu'au nord du Vermont et au nord de l'État de New York, à l'est jusqu'à Magog, à l'ouest jusqu'à la frontière de l'Ontario, et au nord jusqu'aux Laurentides.

Our Mission - Notre Objectif

CKUT is committed to making media accessible to all members of the community. The objective of CKUT, as a campus community station, is not to mimic or compete with commercial or other existing radio stations but rather to provide an alternative: a focus on new, marginalized, or otherwise unfamiliar issues, culture and music, as well as a different perspective on familiar issues and the cultural mainstream.

CKUT s'engage à rendre les médias accessibles à la collectivité montréalaise et autre, afin de refléter le pluralisme de cette communauté. En tant que station de campus/communautaire, l'objectif de CKUT n'est pas d'imiter ou de concurrencer les stations commerciales ou d'autres stations de radio. Au contraire, notre but est de donner une alternative en nous concentrant sur des problématiques, cultures et musiques nouvelles, marginales, ou sinon inconnues, et de proposer un point de vue différent des problématiques mieux connues du grand public.

in our words...

CKUT's **music programming** emphasizes the uncommon, the new, and the daring. We have a variety of specialized music programs as well as open format programs that span many musical genres. DJs make their own musical selections, without the aid of a playlist, choosing from recordings sent to CKUT by artists and record companies around the world as well as from their own private collections.

CKUT's **spoken word programming** (in black boxes on schedule) features alternative news, public affairs and arts and culture shows. We cover gay and lesbian culture, environmental issues, social justice issues, feminism, film and theatre reviews, African, Haitian, Latin American, Korean, Filipino, Muslim current affairs ... and more!!
